WELCOME TO SKALLY'S TAX SERVICE

Our tax service is located on the southwest corner of Grand and Dale in St. Paul at 624 Grand Avenue. We have been serving clients at this location since 1977. We are open year-round for consultation on tax and financial matters.

During the tax season we employ eight consultants. Two of our consultants are enrolled to practice before the Internal Revenue Service. All our consultants meet the Internal Revenue Service rules of practice.

We are not accountants. We have chosen to concentrate on the preparation of Individual Income Tax Returns.

We prepare the complete Federal Tax Return and any State return. We obtain forms from every State so that we can be ready to serve our clients who have moved into or out of Minnesota.

Our fees are based on the complexity of the tax return. A new client who itemizes deductions and has no self-employment or rental property should expect to pay approximately \$185.00 for preparation of their Federal and Minnesota tax returns. If another State return is being filed there is an added fee of \$100.00. Rental property owners or self-employed persons should anticipate a minimum fee of \$370.00. These basic fees go up, as the return gets more complicated.

A person who is not itemizing and files Federal and Minnesota returns could expect a fee of \$95.

There is an additional \$50 charge for filing the Minnesota Property Tax Refund/ Rent Credit.

Electronic filing is included in the cost of the preparation.

We provide a "Tax Organizer" so that you can be prepared with the information needed to complete your tax return. We prepare the tax return in a format for electronically filing or we provide a laser printed return that can be sent by mail to the government. We always provide a copy of the return for each client. We also keep a copy on file for three years.

Enclosed is the "Tax Organizer". Review it carefully and complete the information so that you can provide it to us. You may find these Organizers on our website or our Facebook page.

If you have any questions, please do not hesitate to call.

We look forward to seeing you.
